Wehr Astronomical Society, Inc.

Membership Information

All regular Wehr Astronomical Society, Inc. (W.A.S.) meetings are held the second Tuesday of each month, usually at the Wehr Nature Center, and are free and open to the public. Our observatory sessions are held at Froemming Park, in Franklin, approximately every other week on Friday evenings. Programs generally are geared to the beginner in astronomy, although programs are presented for all ages and levels of interest and knowledge. Instruction is kept basic and is intended to encourage enthusiasm for further study. Our aim is to give guidance and information to those who want help in the pursuit of stargazing.

Membership Benefits

1. **Access to the Society's astronomical resources:**
 - **Knowledge and advice of other members**
 - **Back issues of Astronomy and Sky & Telescope**
 - **Over 100 astronomy books and other library resources**
 - **Use of the observatory at observatory sessions**
 - **Loanout Equipment: 6" reflectors, 4" and 60mm refractors, and binoculars (upon approval of the Observatory Director)**
2. **Club discounts to Astronomy and/or Sky & Telescope subscription.**
3. **Membership in the Astronomical League, with its quarterly newsletter, The Reflector, mailed to your home address.**
4. **Quarterly newsletter and other special notices mailed to your home address or available on the W.A.S. website.**
5. **Annual membership directory (to contact others for carpooling to outings or to notify others for new comet, meteor or aurora sightings, etc.)**
6. **Voting privileges in the Society's general elections and changes to the bylaws.**
7. **The opportunity to proudly use official W.A.S. merchandise! (T-shirts, polo shirts, sweatshirts, hats, etc., are available for sale.)**

Give a friend a gift membership with a W.A.S. Gift Certificate.
