

Wehr Astronomical Society Observatory Schedule 2008

(July – December)

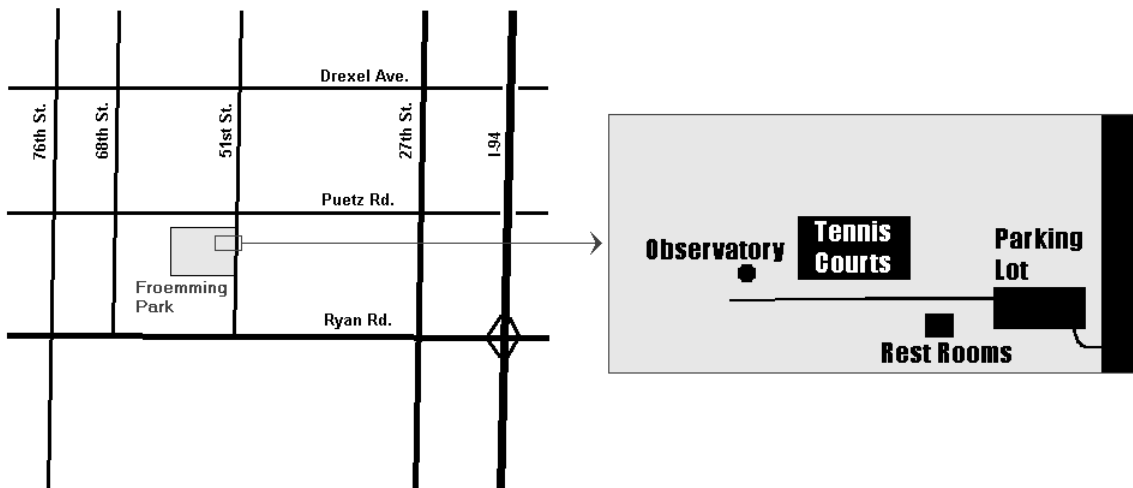

Froemming Park, Franklin, WI

<http://www.wehrastro.org>

We show you the REAL sky. Presentations will consist of a general overview of the sky and telescopic observations. The session will be cancelled if we have totally overcast skies, high winds or a wind chill below 10° at the start time of the session. Wear clothing for a drop of 20° from the temperature at the start time of the session. **Admission is free.** Bring binoculars if you have them. For more information, call the Wehr Nature Center at 414-425-8550.
